Office of the MUNICIPAL MAYOR

The 1987 Philippine Constitution mandated all Local Government Unit to come up with development plans and programs which guarantee inclusive growth for all sectors. Furthermore, this serves as a comprehensive blueprint to the holistic government approach towards different social concerns.

Through the years, we have noticed that majority of our development plans has been implemented and capacitated communities. Together we have identified projects and programs that directly give immediate solutions to long time problems. Under our brand of service "Serbisyong Kay Bilis" our people has been with us from planning up to the implementations and realizations of our shared dreams and aspirations.

These Thematic Plans and Programs for the year 2021 are by-product of multi-sectoral planning that focused on the current and eminent problems of Pinamaleños, especially under the state of "new normal". With the help of different key individuals from Non-Government Organizations (NGO's), Civil Society Organizations (CSO's), National Government Agencies (NGA), Municipal Government of Pinamalayan (MGOP) and Local Leaders, our people has the assurance that no one will be left behind. Moreover, the demand of the fast changing world is one of the major considerations in crafting these manuscripts.

Our heartfelt commendation and appreciation goes to the selfless man and women of this Municipality who made these thematic plans and programs possible and reliable.

Tuloy ang Serbisyo, Tuloy ang Asenso! Sama-sama po nating isigaw ang nagkaka-isang pangarap at aspirasyon ng bawat Pinamaleño **"PILIPINAS PINAMALAYAN NAMAN".**

Office of the MUNICIPAL VICE-MAYOR

Planning is essential in all agencies, regardless of being private or public. It helps us to easily review the strengths and weaknesses of the agency and to determine predicaments that require serious attention and immediate actions. Proper preparation will put our agency in a better position to achieve success.

Hence, the foregoing Thematic Plans and Programs (TPP) 2021 of this municipality contain identified programs/projects/activities that this local government unit believes needed to be implemented and can have the most impact to address different issues and concerns of various sectors of this municipality. Also, through this, we as leaders and employees of this municipal government are more equipped and focused in handling uncertainties and different scenarios that may occur in the future with a list of resources.

However, to materialize all of these, we should act and work as one to meet our development goals and objectives for the betterment of our constituents and continuous improvement of our beloved town, Pinamalayan.

Remember, “Great things in business are never done by one person. They are done by a team of people” – Steve Jobs

HON. RODOLFO M. MAGSINO
Municipal Vice Mayor

HISTORY

Pinamalayan is one of the oldest towns in the Province of Oriental Mindoro and a major political and economic center in the southern part of the province way back the latter years of Spanish regime.

Pinamalayan was organized as a permanent settlement in the 1800's under the leadership of a *Gobernadorcillo*. In 1914, the Municipal Council acted on the selection of a new town site through *viva-voce* voting. It was in 1916 that the seat of the Municipal Government was transferred from Lumambayan to its present site, Zone III, which was then part of Panggulayan. Pinamalayan was originally composed of six big barrios namely: Panggulayan, Quinabigan, Nabuslot, Lumambayan, Tambong and Balete.

GEOGRAPHICAL AND RESOURCE ENDOWMENT

Pinamalayan having a total land area of ***28,226 hectares*** is located at the center of Oriental Mindoro. It is around 118 km from Puerto Galera, the northernmost town of the province; 68 km from Calapan City, the capital of Oriental Mindoro and its major entrance point from Manila; around 56 km from the town of Roxas, entrance point from the Philippines southern provinces and 120 km from Bulalacao, Oriental Mindoro southernmost town.

The town of Pinamalayan is bounded in the north by the towns of Socorro and Pola; in the west by the Province of Occidental Mindoro; in the south by the Town of Gloria and in the east by Tablas Strait. National and provincial road networks connect Pinamalayan with other local government units. Tablas Strait separates Pinamalayan from the island-province of Marinduque and the island-towns of Concepcion and Bantuin, Romblon but all are accessible by passenger boats plying the routes daily.

Local Topography is generally plain except in areas edging the boundary with the town of Pola which are hilly and mountainous. Westward from Maningcol-Rosario-Malaya area to the boundary with Occidental Mindoro is likewise hilly or rolling plains.

Soil types of Pinamalayan are San Manuel, Luisiana and Maranlig soil series. These are suitable to a wide variety of crops.

Climate falls under climatic type III which has no very pronounced maximum rain period with a short dry season lasting from one to three months. Northeast monsoon prevails from August to March.

CURRENT STATUS

Pinamalayan is a First Class Municipality by virtue of DOF Department Order No. 20-05 as implemented by BLGF Memorandum Circular No. 01-M (43) – 05 issued on January 31, 2006 and vying to become the Second City in Oriental Mindoro.

Pinamalayan stands as a proud testament to the legendary pot of gold which is found at the rainbow's origin. It continues to flourish as an indispensable trading center and investment zone in the province as it is one of the identified provincial growth centers and is extremely well positioned to be such. Its highly strategic location, being at the center of the province, augurs well for the development of facilities to serve the surrounding municipalities and nearby island-provinces. The Poblacion of Pinamalayan has grid-pattern of roads with 20-meter wide right-of-way in major segments that can still absorb further urban growth and remains a model in town planning.

TOURISM/CULTURAL ACTIVITIES/LOCAL ACTIVITIES

BAHAGHARI FESTIVAL

Tracing its roots from the mythical founding of Pinamalayan, the Bahaghari Festival is a reflection of the first Pinamaleños' joy and thanksgiving for the divine guidance of a rainbow that guided them through a raging sea towards a land of promise and bounty. The Bahaghari Festival is held during the warm summer months of March and April (***Town Fiesta, 25th of April***), right after the harvest season. Aside from the festival's historical significance, locals also celebrate their bountiful agricultural yield and see the celebration as the perfect opportunity to show their appreciation for al the blessings of the previous year. This "Celebration of Colors" represents the vivid flavours of Pinamalayan that are as varied and mesmerizing as that of a rainbow.

BAHAGHARI LANTERN FESTIVAL *(December)*

Twinkle, twinkle biggest stars! Cool December nights are set ablaze as Pinamalayan lights up in yards upon yards of Tivoli lights and the biggest, brightest and most creative lanterns this side of the archipelago. The best way to immortalize the grandeur is through the lens of the video camera.

BEST PRACTICES/INNOVATIONS

Community eCenter (CeC) - is a project started in collaboration with the National Computer Center. CeC is a self sustaining shared facility providing affordable access to ICT-enabled services and relevant content. It serves as a conduit for efficient delivery of government and other services and a potent tool for empowerment and participation of unserved and underserved communities/sectors in development. In essence, the ultimate goal is to bridge the digital divide and provide universal access to information and communication services.

Website *(www.pinamalayan.gov.ph)* – is a dynamic electronic operation whose scope consists of content updated add or change images & banners, upgrade site software, modules, extension and plug-ins, administer email service/webmail and monthly or weekly backups to ensure data security and continuity. This applications involves local one (1) Municipal website and 37 individual Barangay websites.

Business and Investment Promotion Division (BIPD) - was created by the Municipal Government to address the demands of existing business and social conditions, identified and acknowledged issues and concerns affecting the local economy, as well as to fulfil the expected development requirements of cityhood. It is a frontline service office that performs a non-traditional function. It partners, deals directly with, and sees to the needs of the private sector to ensure a dynamic local business environment. It is also at the forefront in the formulation and implementation of tourism action plans, as well as other related programs/projects/activities that promote the investment potentials of the municipality.

Business-One-Stop-Shop (BOSS) - is a designated place in the municipal building where local and national offices with direct participation in business permits and licenses gather for issuance of their respective document regarding business operations of businessman. Its operation start from the 2nd to 28th day of January annually.

Barangay Development Program - is an infrastructure-focused development program patterned on a cost-sharing scheme between proponent and beneficiaries. The basic idea is to provide equal distribution of development projects among the 37 barangays comprising the municipality of Pinamalayan while encouraging the direct participation of the beneficiaries, minimal in amount yet definitely with significant involvement and high sense of ownership of the project.

Assessment:

Children below 6 years old or 3 -5 years old were under the supervision of MSWDO in coordination to the Child Development Workers covering 37 barangays. The Child Development Workers being a substitute mother as this stage were the one providing parental care and stimulating activities for a total development of a child 3 - 5 years old while her/his parents are unable to take care of her or him during part of the day because of work and some other situation. On the other hand, the MHO catered 0 - 71 months old and the Department of Education ages 6 - 12 years old (primary level).

At present, the new Administration headed by Hon. Aristeo A. Baldos, Jr., being the chairperson of the Local Council for the Protection of Children reactivated the Council to led the planning, programming and implementation of the Child Protection policy and other related laws pertaining to children such as health and nutrition, early education and social services programs that provides for the basic, holistic needs of young children from birth to ages 6 years and to promote their optimum growth and development.
