HON. ARISTEO A. BALDOS, JR.
Municipal Mayor
This Municipality

Sir:

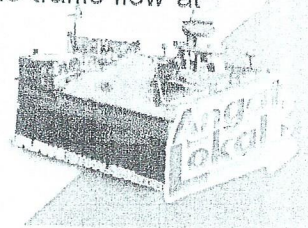

Greetings!

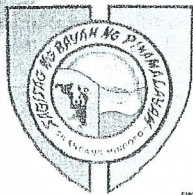

This Office would like to ask for your approval on the proposed set-up of vendors during the Holiday Season. This proposal is almost like last year except that all vendors (resident or not) are allowed to sell, and they shall observe health standard protocol set by the Inter-agency Task Force (IATF).

The undersigned would like to propose the following:

1. The temporary closure of portion of Bonifacio Street and Del Pilar Street in the vicinity of Pinamalayan Public Market (as per *Resolution No. 4109-2018*) will start on December 21 to 31, 2021. December 21 is intended for assembling of tents and tables only. December 22 is the official opening date.
2. During the period of December 21 to 31, the fruit and vegetable vendors shall be in portion of Del Pilar and Bonifacio Street representing the  sign on the floor plan. Previously, these vendors occupied 5 rows in Del Pilar Street in between the Vegetable Section and Shiem Restaurant. However, to observed proper distancing, only 4 rows are allowed on this area and in excess, this Office is recommending the use of Municipal Food Terminal and portion of Bonifacio Street allotting 2 columns only.
3. On the 24th and 31st of December, the peak and probably the most volume of shoppers, this Office is proposing the closure of Wet Section and Vegetable Section to control the entry and exit of the buying public. Only on this specific date, will there be personnel assigned to man the entry and exit point, the market personnel after their original function will be utilized but surely the assistance of at least 4 TMO personnel will be needed.
4. Also on the peak dates, that is the only time the portion of Del Pilar Street in front of the Wet Section will be closed. The rest of the days, it will be open. That area is intended for the bread, sweet delicacies, and rice cakes vendors representing the  sign on the floor plan. On the other hand, "torotot" vendors will be accommodated also, they will be placed either in Bonifacio Street or Del Pilar Street depending on which is available.
5. Finally, may this office request the visibility of the PNP personnel to pacify the traffic flow at the Public Market premises during this season.
