# OFFICE OF THE MUNICIPAL MAYOR

## MESSAGE

The Local Government Unit of Pinamalayan under our leadership, remains focus, steady and firm to our sworn commitment to Pinamaleños. We have utilized our funds and resources in achieving our noble commitment to people. Programs, projects and activities are well aligned and attuned to the demands of the public. We have remained committed to our mission of reaching out to the most vulnerable members of society. As a result, we must level up, improve, and modify all of our initial activities in order to satisfy the unique requirements of our people while also adapting to the demands of a changing world.

My fellow Pinamaleños, it is with great pride and honor to present and dedicate this compilation of Thematic Plans and Programs 2024, a navigational plan towards the Local Government's developmental framework and program intervention for the Fiscal Year 2024.

This plan of action reflects our expectations for conquering challenges and moving forward. It contains the programs/projects/activities streamlined for the coming year from a long master list of projects generated through sectoral consultation. Furthermore, with the unwavering support and active participation of all stakeholders, we can vouch that no sector is being left behind and guarantee the inclusivity of all programs.

Also, our heartfelt gratitude goes to the dedicated men and women of these municipality who place their best efforts to come up with this plan.

Hail Pinamalayan and all its people- ang Bayan ng Bahaghari, Bayang Pinagpala. Pilipinas, Pinamalayan Naman!

  
**HON. ARISTEO APASAN BALDOS, JR.**  
MUNICIPAL MAYOR

# OFFICE OF THE MUNICIPAL VICE MAYOR

## MESSAGE

  
**HON. RODOLFO M. MAGSINO**  
MUNICIPAL VICE MAYOR

Warmest greeting!

Success is no accident. It takes a lot of hard work, perseverance, learning, studying, sacrifice, and most of all, love of what you are doing or learning to do.

The municipality of Pinamalayan aims to become a sustainable place to live for every Pinamaleños. Planning and implementation are the best tool in making success. Thematic planning is an important activity of the Local Government Unit with the objective of building a more progressive municipality.

In this activity, the Local Chief Executive together with the Vice Mayor, Sangguniang Bayan Members, Department Heads, Chief of offices, and the representatives from different sectors joined together in a group discussion and identifying different programs, projects and activities that we believe needed to be implemented and can make an impact in the society.

Through inquiries, careful studies, researches and workshops, we will be able to sustain and meet the demands of the ever-changing time. Long term solutions, programs, projects and activities to be implemented are relevant and beneficial to the people. We cannot stop the passing time, but we have the power to define it.

With our collaborative efforts we can make Pinamalayan a sustainable place to live in. Let us work together and win as one. With the help of the Almighty, hand in hand, we can achieve what we are dreaming for our beloved Pinamalayan.

*"Today's progress was yesterday's plan" - Anonymous*

# ACKNOWLEDGEMENT

In the spirit of unity towards progress, deepest appreciation is hereby conveyed to the various stakeholders and institutions in our municipality such as the National Government Agencies, Barangay Government Units, Private Sector, Civil Society/Non-Governmental Organizations, the Legislative Department and the Executive Department of the Municipal Government of Pinamalayan for the unqualified support and participation in the preparation of SOLID WASTE MANAGEMENT PLAN (SWMP) 2024 which was completed and packaged by the:

### **MUNICIPAL DEVELOPMENT COUNCIL RESOLUTION NO.02-2023**

**A RESOLUTION ADOPTING THE DIFFERENT THEMATIC PLANS AND PROGRAMS (TPP) 2024 OF THE MUNICIPALITY OF PINAMALAYAN AND FAVORABLY INDORSING THE SAME TO THE SANGGUNIANG BAYAN, THIS MUNICIPALITY FOR APPROVAL.**

**WHEREAS**, thematic planning is a prescriptive planning tool that seeks the most effective and efficient technical solution to a generic development problem;

**WHEREAS**, the strategic value of thematic plans is that they provide guidance on the application of techniques and in drawing on best practices and experiences which have evolved into a benchmark standard;

**WHEREAS**, thematic plans provide a cost-benefit analysis of the technology against conventional techniques, define the role and responsibilities of the agency in relation to other stakeholders, identifying resource requirements and seek to outline a course of action, thereby defining a framework providing a problem-based analysis of techniques that helps ensure the relevance, sustainability and impact of technical cooperation;

**WHEREAS**, in order to validate priority areas for cooperation and strengthening public-private partnership, different thematic plans and programs were formulated through researches, series of consultations, workshops, focus group discussions and other activities involving multi-sectoral representation;

**WHEREAS**, the thematic plans and programs herein referred to include the following:

#### **1. GENERAL PUBLIC SERVICES SECTOR**

- Municipal Peace and Order and Public Safety Plan
- Municipal Capacity Development Agenda
- Municipal Anti-Drug Abuse Action Plan
- Municipal Indicative Annual Procurement Plan
- Municipal Human Resource/Capacity Development Plan
- Municipal Revenue Generation and Mobilization Plan
- Municipal Public Financial Management Improvement Plan
- Municipal Information and Communication Technology Plan
- Municipal Information Strategic and Management Plan
- Municipal People's Plan
- Municipal Public Service Continuity Plan

# HISTORICAL BACKGROUND

The name of the town was said to be taken from the word “ipinamalay” which means to make aware or to show the way. According to an old story, early settlers of this town came from a group of adventurous transmigrants who encountered turbulent weather in the sea. They prayed to God Almighty for deliverance and guidance, whereupon, the weather cleared and a rainbow appeared on the horizon. The crew shouted “ipinamalay na” which means it was made known. They followed the direction of the rainbow believing that at its end lies a pot of gold and good fortune. They finally landed at what is now barangay Lumambayan and established the first settlement which they named Pinamalayan. They found good fortune in the new land which brought them prosperity because of the good soil and abundant resources.

LEGEND

On the other hand, some sources state that the name Pinamalayan came from the word “Pinagpalayan” which means “planted with rice”, for it was once a vast area planted with rice. Rice farming is an important source of livelihood of the municipality, up to this day. Since then, the place grew and became a town. However, during the entire 18th century, Pinamalayan was one of the coastal areas frequently attacked by Moro pirates. People were decimated and many fled to the interior for safety.

## 1800

Pinamalayan is one of the oldest towns in the province of Oriental Mindoro. Its territory once went as far as the old settlements of Sumagui and Anilao which are now part of the municipalities of Bansud and Bongabong, respectively. The towns of Pola and Gloria, now separate municipalities, were also former parts of the old domain. This was then organized as a permanent settlement in 1800's under the leadership of a gobernadorcillo.

## APRIL 29, 1904

Under the American government, the towns of Pola and Bongabong were consolidated with Pinamalayan by virtue of Act 1155.

CREATION OF THE MUNICIPALITY

## 1888

In the year 1888, the territory of Pinamalayan included the settlements of Pola, Sumagui, and Anilao. At that time, the gobernadorcillo was Juan Morente, Jr., who assumed position until 1898 when the uprising against the Spanish government broke out. Morente Jr. joined the revolutionary forces as a captain then Juan Medina replaced him as the town head. When the Spaniards surrendered, Morente Jr. became governor of the province of Mindoro while Cornelio Nable was appointed as the municipal president.

## JANUARY 12, 1912

Pola became an independent town. A major political change brought about by the American occupation was that the Municipal Council acted on the selection of a new town site through viva-voce voting in 1914.

## 1916

The seat of the Municipal Government was officially transferred from barangay Lumambayan to its present site.

# HISTORICAL BACKGROUND

## 1919

Bongabong likewise regained its township status in March 1919 under Act 2824. The American planners made sure that the town is properly laid out according to a planning system that included wide, symmetrical roads with appropriate drainage facilities. It was also during this time that a big plaza was constructed adjacent to the municipal building. These turns of events made Pinamalayan as a model in town planning to all the municipalities in Oriental Mindoro. Moreover, the repeated territorial reorganizations signify the role of Pinamalayan as a major political and economic center in the southern part of Oriental Mindoro way back in the latter years of the Spanish regime up to the American rule. Administrative orders regulating secular activities in the settlements of neighboring towns were once sent from Pinamalayan. Thus, this gives the municipality considerable advantages in terms of trade, infrastructure development, social facilities, and even political accommodations at the onset of the century.

## 1942

When the Japanese occupied Mindoro in 1942, Dr. Abelardo Bunag, then mayor, joined the underground movement. The Japanese then appointed Carlos Aguilucho as mayor, followed by Manuel Medina. Then, the Americans returned around January 15, 1945.

## 1964

In 1964, Gloria became an independent town. From 1947 to 1990 under various administrations, Pinamalayan grew steadily to become the progressive town that it is today.

Table HB-1 presents the local chief executives from year 1901 to present. Throughout history, the municipality had 32 municipal mayors.

Table HB-1. Local Chief Executives of Municipality of Pinamalayan, Oriental Mindoro, Year 1901-2019

**Profile :**

**Narrative Description:**

RA 9003 or the Ecological Solid Waste Management Act of 2000 is an act providing for an ecological solid waste management program, creating the necessary institutional mechanisms and incentives, declaring certain acts prohibited and providing penalties, appropriating funds thereof, and for other purposes. Pursuant to the relevant provisions of R.A. No. 7160, otherwise known as the Local Government Code, the LGUs shall be primarily responsible for the implementation and enforcement of the provisions of this Act within their respective jurisdictions. Segregation and collection of solid waste shall be conducted at the barangay level specifically for biodegradable, compostable and recyclables; provided, that the collection of non-recyclable materials and special wastes shall be the responsibility of the municipality.

Municipality of Pinamalayan is composed of 37 barangays with a total land area of 28,226 hectares, wherein 3.7 hectares are allotted for sanitary landfill site and material recovery facility that serve as final disposal facility for residual waste and recovery of recyclables and residuals with potential for diversion respectively. On February 18, 2019, with the SB Resolution No. 059-2019, the Municipal Solid Waste Management Plan (2017-2026) of Pinamalayan, Oriental Mindoro was adopted.

**Vital Facts and Figures:**

Starting January 2021 up to present, massive Information and Education Campaign (IEC) on proper waste segregation as well as enforcement of "No Segregation, No Collection" policy was implemented to municipality of Pinamalayan. Also, segregation at source and collection of biodegradables, compostable and recyclables by barangay were implemented. According to data, the average trash generated per person per day is ½ kilo. Out of the total solid waste generated from households, a whopping 95% can still be reused or recycled (45%) or turned into compost (50%). Only 5% are made up of residuals (4%) and special/hazardous waste (1%) that no longer have used or not biodegradable. Waste generators are households, schools, industries, factories, hospitals, agriculture, offices, businesses and other establishments. As of December 2022, twenty-four (24) barangays out of the 37 were able to comply in collecting garbage from households and other establishments within their community. This number reminds us that we are closer to achieve the 100% barangays being accommodated by Garbage Collection Service. Throughout year 2022, LGU was able to collect a total of 603.50 tons of residual waste which are commonly from households, commercial establishments and municipal operated establishments/institutions while 403.10 tons of biodegradable was collected mostly from public market, poblacion streets and municipal operated establishment. Residual wastes collected are being transferred to Residual Containment Area (RCA) for final segregation in order to retrieve residual wastes with potential to be recycled and other remaining residual waste are dumped to the LGU's Sanitary Landfill where both establishments are located at Brgy. Maningcol about 5 to 7 kilometers from the townsite. As of now, Municipality of Pinamalayan has a total of nine (9) environmental machineries where five (5) is functional and utilized (Blue Plastic Shredder, Green Biodegradable Shredder, Black Biodegradable Shredder, Plastic/Styro Shredder, and Glass Pulverizer) while four (4) are functional but unutilized due to limited capacity as per requirement of machine's power input.

**Analysis Matrix:**

ISSUES, CONCERNS AND CHALLENGES	IMPLICATONS / EFFECTS	PROPOSED ACTIONS / INTERVENTIONS
Lack of manpower to effectively operationalize the Municipal Material Recovery Facility	Low volume of waste diverted or material recovery and high volume of waste dumped on sanitary landfill	Hiring of MRF workers
Illegal dumping of mixed wastes on sidewalks and streets along public market during night time	Stray animals littered the garbage on streets and harbored flies that brought garbage pollution and nuisance to community	IRR of Municipal Ordinance on RA 9003 for applicable provisions, penalties and enforcement mechanisms
Not all sources are compliant to proper waste segregation	Garbage from Barangay TCA are not collected as scheduled due to mixed waste	Continuous IEC on institutions, households and sector groups; Launching of Recycling Program and Other Contest involving Solid
Limited capacity to safely and fully operationalize all the environmental machineries at Municipal Material Recovery Facility	Low volume of waste diverted or material recovery and high volume of waste dumped on sanitary landfill	Procurement of tools, Personal Protective Equipment, and other necessary equipment
		Repair and Rehabilitation of Green MRF
		Upgrading of Power Supply

				Start	End			
		Procurement of Ecological Waste Processing Plant with Solid Waste on Wheels and Thermolysis Machine and System	1 set Ecological Waste Processing Plant with Solid Waste on Wheels and Thermolysis Machine and System procured Inclusions: •Stationary Solid Waste Machineries for MRF -Eco-Friendly, Ultra-High Temperature Thermal Decomposition System; Rapid Fertilizer Machine and System; Liquid Separator Machine; Plastic Grinding Machine; Bottle Crusher Machine; Paving Block Maker; Waste Mixer Machine; Generator Set; Pressurized Motor Washer with Water Tank; Inoculants Tank; Liquid Deodorizer (Concentrated); Inoculant for Biodegradable Waste (Concentrated) •Solid Waste on Wheels (Capacity: 8 metric ton per day) -Rapid Fertilizer Machine and System; Squeezer Machine; Plastic Grinding Machine; Bottle Crusher Machine; Paving Block or Hollow Block Maker Machine; Silent Type Generator Set; Pressurized Motor Wash; Inoculants Tank and Charcoal Feeder; Water Tank •Delivery, Installation and Training	Jul	Dec	MENRMD	NGAs	36,000,000.00
		Procurement of Waste Thermal Decomposition System with Uptake Conveyor	1 Eco-Friendly, Ultra-High Temperature Thermal Decomposition System with Uptake Conveyor procured	Apr	Dec	MENRMD	NGAs	20,000,000.00
		Procurement of Mini Bulldozer	1 unit Mini Bulldozer procured	Jul	Sep	MENRMD	Others	10,000,000.00
		Acquisition of new Lot for Sanitary Landfill (Phase III)	2 Hectare Lot for Sanitary Landfill (Phase III) acquired	Jan	Dec	MENRMD/MAssO	Others	2,000,000.00
		Construction of Categorized Final Disposal Facility (Sanitary Landfill Phase III)	34meters x 34meters x 2.5meters Categorized Final Disposal Facility (Sanitary Landfill Phase III) constructed at Sitio Ilohan, Brgy. Maningcol; With 5meters x 5meters x 2.7meters sedimentation tank constructed	Jan	Dec	MENRMD/MEO	Others	10,000,000.00

GOAL	SPECIFIC OBJECTIVES/ STRATEGIES	NAME/DESCRIPTION OF PROGRAMS/PROJECTS/ ACTIVITIES	EXPECTED OUTPUTS	TIME FRAME		RESPONSIBLE OFFICE/ AGENCY	FUND SOURCE	COST
				Start	End			
		Establishment of Composting Facility of Biodegradable Waste in Sanitary Landfill	200 sq. m. Composting Facility established 5 concrete composting box with each box having dimension of 4 ft. x 6 ft. x 6 ft.; with 10 perforated pipes for gas ventilation; and roofing constructed	Jan	Dec	MENRMD/MEO	Others	5,000,000.00
		Installation of streetlights along Road Network and within Sanitary Landfill Site	7 pcs. Streetlights (100 watts) in Sanitary Landfill constructed and installed (pedestals and electrical lines included)	Jan	Dec	MENRMD/MEO	Others	262,500.00
		Concreting of Perimeter Fence and Construction of Entrance Gate	765.11 linear meters Perimeter Fence concreted and 2 Entrance Gate construction	Jan	Dec	MENRMD/MEO	Others	5,000,000.00
		Concreting of Access Road To The Sanitary Landfill And Within The Site	705 linear meters x 4.0 meters x 0.225 meters of road concreted	Jan	Dec	MENRMD/MEO	Others	8,460,000.00
		Upgrading of Wastewater Treatment Plant Filtration Process of Sanitary Landfill (Phase II)	Wastewater Treatment Plant Filtration Process of Sanitary Landfill (Phase II) upgraded	Jul	Dec	MENRMD/MEO	Others	300,000.00
		Procurement of Leachate Treatment System	Leachate Treatment System procured and installed	Mar	Jun	MENRMD	Others	3,000,000.00
		Construction of Storm Drainage Canal in Sanitary Landfill	Storm Drainage Canal around sanitary landfill site constructed	Jul	Dec	MENRMD/MEO	Others	1,000,000.00
		Construction of Guardhouse in Sanitary Landfill	60 sq. m. Guardhouse constructed	Jan	Dec	MENRMD/MEO	Others	1,500,000.00
Strict Implementation of RA 9003 on Barangay Level	To strictly observe and and monitor the proper practice of the Barangay Solid Waste Management (BSWM) and the operation of Barangay Material Recovery Facilities	Strict Implementation of RA 9003 through mandating Barangays to submit their 10-Year Solid Waste Management Plan	All 37 Barangays submitted their 10-Year Solid Waste Management Plans sub	Jan	Dec	MENRMD/ 37 Barangays		
		Mandate Barangays to submit their Monthly Accomplishment Reports on their 10-Year SWM Plan	All 37 Barangays submitted their Monthly Accomplishment Reports on their 10-Year SWM Plan	Jan	Dec	MENRMD/ 37 Barangays		
		Establishment of Material Recovery Facility (MRF) buildings for remaining 37 barangays	13 Material Recovery Facility (MRF) buildings with adequate space for storage, segregation activities and waste diversion process through environmental machineries (850 sq. m. per barangay, Lot provided by barangay)	Jan	June	MENRMD/MEO/ 37 Barangays	Others	6,500,000.00
		Monitoring on the operation of existing Barangay Material Recovery Facility (BMRF)	Operation of existing Barangay Material Recovery Facility (BMRF) from all 37 Barangays monitored and inspected	Jan	Dec	MENRMD/ 37 Barangays	Others	40,000.00
		Provision of plastic densifier, extruders or plastic molders to be provided for all barangays	13 plastic densifier, extruders or plastic molder procured and provided for the barangays	July	Dec	MENRMD/ 37 Barangays	Others	6,500,000.00

GOAL	SPECIFIC OBJECTIVES/ STRATEGIES	NAME/DESCRIPTION OF PROGRAMS/PROJECTS/ ACTIVITIES	EXPECTED OUTPUTS	TIME FRAME		RESPONSIBLE OFFICE/ AGENCY	FUND SOURCE	COST
				Start	End			
		Provision of plastic shredders and washeries, wastewater treatment facilities and cyclone dryer to be provided for all barangays	13 plastic shredders and washeries, wastewater treatment facilities and cyclone dryer procured and provided for barangays	July	Dec	MENRMD/ 37 Barangays	Others	6,500,000.00
		Provision of composter & shredders for all biodegradable wastes to be provided for all barangays and provision of IEC and technical assistance	13 composter & shredders for all biodegradable wastes procured and provided for barangays All IEC and technical assistance provided	July	Dec	MENRMD/ 37 Barangays	Others	6,500,000.00
Establish effective system on handling solid waste amidst COVID-19 Pandemic	To effectively implement COVID-19 Waste Management Plan	Training/Orientation for Healthcare Workers and Personnel-In-Charge in waste segregation, collection, transport, treatment and disposal	2Training/Orientation for Healthcare workers and Personnel-In-Charge waste segregation, collection, transport, treatment and disposal conducted	Jan	Dec	MENRMD/MHO	Others	200,000.00
		Purchase of Chemicals for the Sanitation of facilities within the landfill site	400 liters of Sanitizing Chemical purchased	Jan	Dec	MENRMD	Others	500,000.00
		Procurement of Personal Protective Equipment (from Head to Toe) for Garbage Collection and Disposal from Healthcare Facilities	All necessary PPE procured	Jan	Dec	MENRMD	Others	300,000.00
		Well fitted N95 Mask	500 pcs well fitted N95 Mask procured					
		Surgical Face Mask	500 boxes of surgical face mask procured					
		Gloves	500 boxes of clean gloves procured					
		Surgical Hair net/caps	500 pcs Surgical Hair net/caps procured					
		Ethyl Alcohol	50 bottles of 500 mL Ethyl Alcohol (70% Solution with Hand Sanitizer) procured
