## MESSAGE

  
**HON. RODOLFO M. MAGSINO**  
MUNICIPAL VICE MAYOR

Warmest greeting!

Success is no accident. It takes a lot of hard work, perseverance, learning, studying, sacrifice, and most of all, love of what you are doing or learning to do.

The municipality of Pinamalayan aims to become a sustainable place to live for every Pinamaleños. Planning and implementation are the best tool in making success. Thematic planning is an important activity of the Local Government Unit with the objective of building a more progressive municipality.

In this activity, the Local Chief Executive together with the Vice Mayor, Sangguniang Bayan Members, Department Heads, Chief of offices, and the representatives from different sectors joined together in a group discussion and identifying different programs, projects and activities that we believe needed to be implemented and can make an impact in the society.

Through inquiries, careful studies, researches and workshops, we will be able to sustain and meet the demands of the ever-changing time. Long term solutions, programs, projects and activities to be implemented are relevant and beneficial to the people. We cannot stop the passing time, but we have the power to define it.

With our collaborative efforts we can make Pinamalayan a sustainable place to live in. Let us work together and win as one. With the help of the Almighty, hand in hand, we can achieve what we are dreaming for our beloved Pinamalayan.

# HISTORICAL BACKGROUND

The name of the town was said to be taken from the word “ipinamalay” which means to make aware or to show the way. According to an old story, early settlers of this town came from a group of adventurous transmigrants who encountered turbulent weather in the sea. They prayed to God Almighty for deliverance and guidance, whereupon, the weather cleared and a rainbow appeared on the horizon. The crew shouted “ipinamalay na” which means it was made known. They followed the direction of the rainbow believing that at its end lies a pot of gold and good fortune. They finally landed at what is now barangay Lumambayan and established the first settlement which they named Pinamalayan. They found good fortune in the new land which brought them prosperity because of the good soil and abundant resources.

## LEGEND

On the other hand, some sources state that the name Pinamalayan came from the word “Pinagpalayan” which means “planted with rice”, for it was once a vast area planted with rice. Rice farming is an important source of livelihood of the municipality, up to this day. Since then, the place grew and became a town. However, during the entire 18th century, Pinamalayan was one of the coastal areas frequently attacked by Moro pirates. People were decimated and many fled to the interior for safety.

## 1800

Pinamalayan is one of the oldest towns in the province of Oriental Mindoro. Its territory once went as far as the old settlements of Sumagui and Anilao which are now part of the municipalities of Bansud and Bongabong, respectively. The towns of Pola and Gloria, now separate municipalities, were also former parts of the old domain. This was then organized as a permanent settlement in 1800's under the leadership of a gobernadorcillo.

## APRIL 29, 1904

Under the American government, the towns of Pola and Bongabong were consolidated with Pinamalayan by virtue of Act 1155.

## CREATION OF THE MUNICIPALITY

## 1888

In the year 1888, the territory of Pinamalayan included the settlements of Pola, Sumagui, and Anilao. At that time, the gobernadorcillo was Juan Morente, Jr., who assumed position until 1898 when the uprising against the Spanish government broke out. Morente Jr. joined the revolutionary forces as a captain then Juan Medina replaced him as the town head. When the Spaniards surrendered, Morente Jr. became governor of the province of Mindoro while Cornelio Nable was appointed as the municipal president.

## JANUARY 12, 1912

Pola became an independent town. A major political change brought about by the American occupation was that the Municipal Council acted on the selection of a new town site through viva-voce voting in 1914.

## 1916

The seat of the Municipal Government was officially transferred from barangay Lumambayan to its present site.

# HISTORICAL BACKGROUND

## 1919

Bongabong likewise regained its township status in March 1919 under Act 2824. The American planners made sure that the town is properly laid out according to a planning system that included wide, symmetrical roads with appropriate drainage facilities. It was also during this time that a big plaza was constructed adjacent to the municipal building. These turns of events made Pinamalayan as a model in town planning to all the municipalities in Oriental Mindoro. Moreover, the repeated territorial reorganizations signify the role of Pinamalayan as a major political and economic center in the southern part of Oriental Mindoro way back in the latter years of the Spanish regime up to the American rule. Administrative orders regulating secular activities in the settlements of neighboring towns were once sent from Pinamalayan. Thus, this gives the municipality considerable advantages in terms of trade, infrastructure development, social facilities, and even political accommodations at the onset of the century.

## 1942

When the Japanese occupied Mindoro in 1942, Dr. Abelardo Bunag, then mayor, joined the underground movement. The Japanese then appointed Carlos Aguilucho as mayor, followed by Manuel Medina. Then, the Americans returned around January 15, 1945.

## 1964

In 1964, Gloria became an independent town. From 1947 to 1990 under various administrations, Pinamalayan grew steadily to become the progressive town that it is today.

Table HB-1 presents the local chief executives from year 1901 to present. Throughout history, the municipality had 32 municipal mayors.

**Narrative Report:**

The Local Youth Development Council is a multi-sectoral youth association, which shall called, Provincial Youth Development Council (PYDC), City Youth Development Council (CYDC) and Municipal Youth Development Council (MYDC), respectively headed by the concerned SK Pederasyon President and composed of representatives of youth and youth-serving organizations in the provincial, city and municipal level. The SK Pederasyon President is headed under the leadership of HON. JOVEN S. VELASCO, stated that our community shall establish and adequate, effective, responsive and enabling mechanisms and support systems that shall empower the youth and ensure meaningful participation in local governance and in nation-building.

Moreover, the office exercises general supervision and control over all programs, projects, and activities of the Sangguniang Kabataan of the municipality which aims to ensures wide and multi-sectoral participation of the youth and shall assists the planning and execution of programs and projects of the SK, and the SK federations in all level.

Republic Act 10742, otherwise known as the Sangguniang Kabataan (SK) Reform Act of 2015 and Its Implementing Rules and Regulations, provides for the creation of Youth Development Office in every province, city and municipality. The said law states that the LYDO shall be headed by a youth development officer with the rank of at least division chief. The LYDO should conduct the mandatory and continuing training programs of SK Officials and LYDC members. Local Youth Development Plan (LYDP) shall refer to the provincial, city, or municipal youth development plan as initially drafted by the SK Pederasyon, finalized by the LYDC and approved by the local sanggunian. Local Youth Development Plan (LYDP) shall be anchored on the Philippine Youth (PYDP) and the local development plans of the local government unit concerned.

The Local Youth Development Council ensures that all the programs, projects and activities of the Sangguniang Kabataan are aligned and coherent through the Local Government Code of 1991 (Republic Act 7160) that provides opportunity for young people to directly participate in local governance. We are expected to submit a comprehensive Annual Accomplishment guided by the principles of accountability and transparency.

The current administration focused on the efficiency and reliability of the basic service to the young Pinamaleños. We are looking forward for the creation of our own office so that we can have a facility where we can accommodate the youth and prepare the documents needed. Also the creations of plantilla positions in the proposed Local Youth Development Division is a great help to supervise and accomplish the plans and programs in the youth sector. In addition, convenient facilities for the implementation of Youth & Sports Development Program is also needed to become more comfortable in conducting different kind of activities. The convenient sports venue can support the youth in practicing camaraderie and sportsmanship. Moreover, allocated funds is not enough to conduct activities and events that can accommodate all youth sectors that's why we are hoping for additional funds for the implementations of it. And resulting to that matter, building partnerships from different agencies is one way to achieve our goals.
